# Acquisition International Announce the Winners of the 2017 Hedge Fund Awards

**United Kingdom, 2017** – Acquisition International Magazine have announced the winners of the 2017 Hedge Fund Awards.

A traditionally fast paced industry, the hedge fund market has seen many challenges this year as financial markets around the world face political and social struggles. Despite this, many firms have excelled in the last twelve months, working diligently to provide strong returns and quality investor support.

Innovation, dedication and sheer hard work are all valued in the 2017 Hedge Fund Awards, as we seek the very best that the industry has to offer. We have rewarded and recognised the firms, and the individuals behind them, who have strived through thick and thin to achieve excellence.

Discussing the awards, Coordinator Peter Rujgev commented: “It has been a true honour to be able to showcase the hard work and commitment of every one of my deserving winners. This programme has been going on for five years now, and during that time we have highlighted some of the industry’s greats. I hope all of my award winners have the very best of luck going forward, and I will be watching their future endeavours with great interest.”

Acquisition International prides itself on the validity of its awards and winners. The awards are given solely on merit and are awarded to commend those most deserving for their ingenuity and hard work, distinguishing them from their competitors and proving them worthy of recognition.
